

Bockschecker&Partner is a modern and emerging consulting company based in Berlin, which combines years of experience with innovative methods. We use professional consulting methods and further develop them using scientific approaches as well as our own creative concepts. We maintain excellent connections with outstanding German universities. We explore potential for increasing our clients' performance and flexibility, design customized strategy concepts and ensure their sustainable implementation worldwide. Therefore we have our consultants: with an interest in innovation, a willingness to continuously develop personally, respectful co-operation and the will to succeed.

**To reinforce the team, we are looking for
dedicated post-graduates (m/f) for the position of**

Associate Consultant (m/f)

Application area: Germany/ Europe-wide/ worldwide

Your profile:

- Outstanding completion of a post-graduate degree in economics, engineering or natural sciences with financial emphasis
- Methodical thinking, analytical reasoning, capacity for anticipation
- Interest in modern concepts such as customer experience management and digitalization, and implementation of these in the areas of sales and after sales
- Appropriate teamwork skills, empathy, vision, flexibility
- Ability to interact with experts from different disciplines
- Joy in partnership and autodidactic learning
- Excellent language skills in German, English and ideally in another foreign language

Your opportunity:

You will have the opportunity to actively contribute to the continuous growth of our small, emerging consulting company. Like your colleagues, you will also define a professional area in which you will specialize and develop along with the company. Very early collaboration in projects in different industries - with current focus in the automotive industry - offers you the opportunity to develop innovative and sustainable improvements for customers and to help companies increase their flexibility. For this, you will be traveling throughout Europe and globally.

Personally and professionally, you will make rapid progress: through the academic network in the field of methodological competence and through targeted training.

Your application:

If you would like to know more about our company and your development opportunities, please send your full application documents (cover letter, CV, certificates) by email to **career@bundp-consulting.de**

As your contact person

Ms. Jung-Pragal will gladly assist you.
